TEERAG

Your Vision Through Engineering Eye

INTRODUCTION

At TEERAG, we believe that every space has a story and we aim to shape it through the Engineering Eye. Our team combines the creativity of skilled experienced engineers, and the craftsmanship of seasoned construction professionals – all working together to transform your vision into a reality. From concept to completion, we are dedicated to delivering high-quality, sustainable, and elegant solutions tailored to your needs. Whether building from the ground up or renovating existing spaces, we manage every stage with care, efficiency, and attention to detail.

BRAND
IDENTITY ELEMENTS

03

3.1. LOGO MEANING

- Know that “TEERAG” Logo is a combination of the Compass Tool and Vane Indicator to form a complete logo.

Compass Tool

+

Vane Indicator

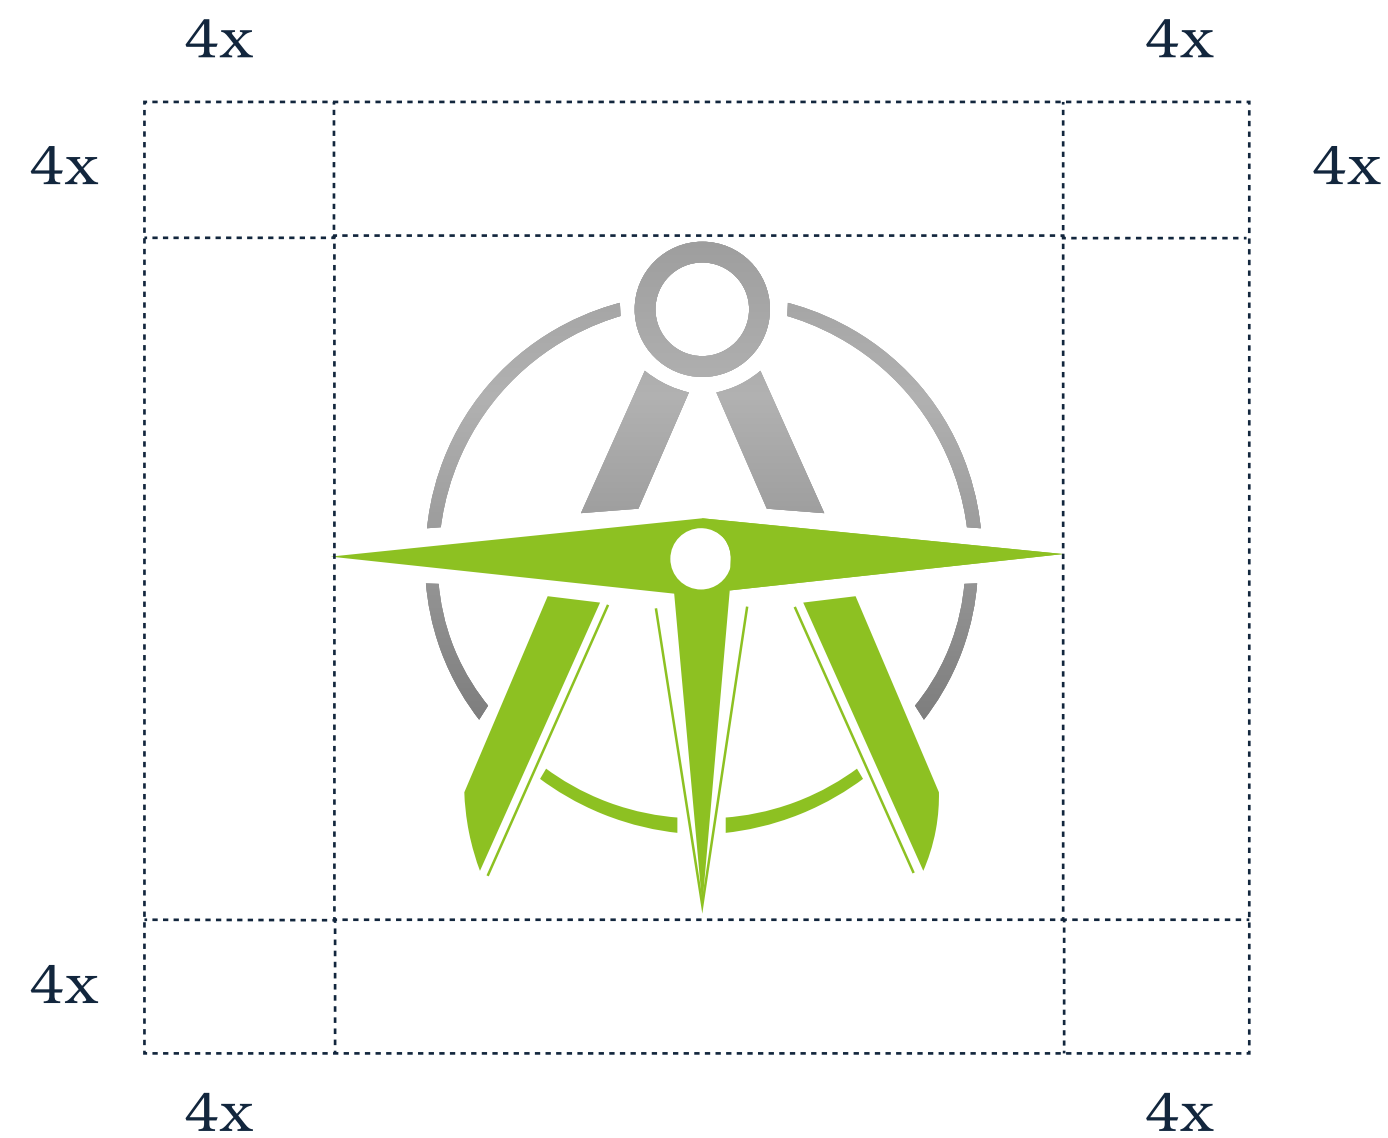

=

3.2. EXLUSION ZONE

- The exlusion zone means 4x places around this logo, Using any graphics within 4x is prohibited. Using anything inside these 4x will break the brand guidelines

3.3. SIZE

- ▶ The logo should not be used anywhere (print or web) below 50 pixels for legibility. If the logo is used below 50 pixels, the logo will lose its clarity and beauty.
The "Mate Cleaning" logo can be used up to 50 pixels which will keep its legibility intact.

BRAND IDENTITY ELEMENTS

04

4.1. LOGO ON PHOTOGRAPHIC BACKGROUND

- ▶ When placing the brand identity on an image, choose the color version that offers the best legibility and works well with the image. The preferred option is the full-color version (1), which should be used whenever possible to strengthen recognition of our primary color palette

Version 1 Full Color

Version 2 Full Color Negative

Version 3 One Color Positive

Version 4 One Color Negative

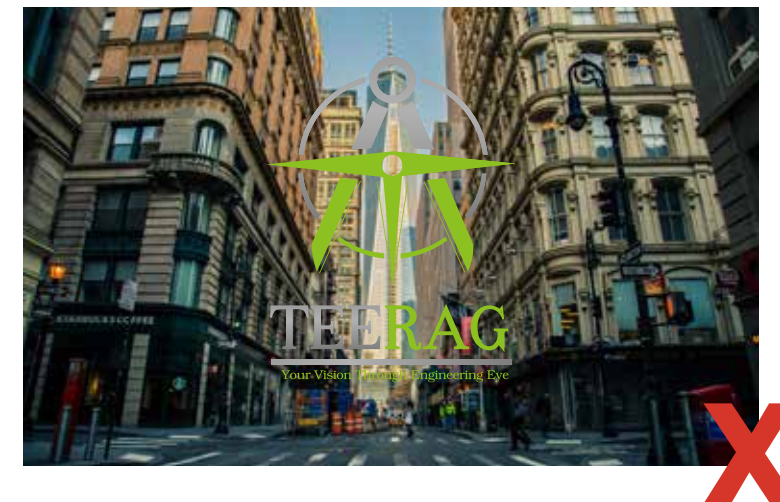

4.2. INCORRECT USAGE

- ▶ When reproducing the brand identity, always use the master artwork. Only use one of the four color versions shown on the guidelines for use on colored backgrounds and images

Do not change the colors of the symbol and logotype.

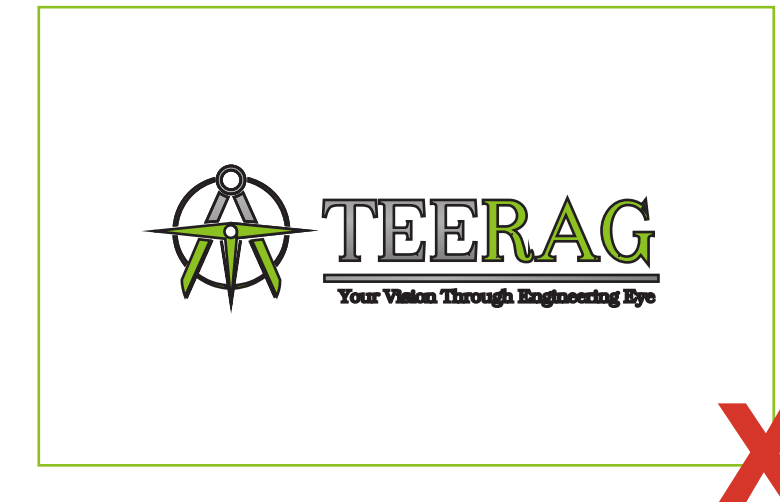

Ensure the brand identity is legible when using on an image.

Do not alter or redraw the symbol

Do not use strokes

Do not stretch logo

Do not compress Logo

Do not change logo typeface

Do not rotate logo

BRAND IDENTITY ELEMENTS

05

5.1. PRIMARY TYPEFACE

- ▶ Euro Roman is the primary typeface of TEERAG, chosen for its balance of strength, clarity, and modernity qualities that reflect the core values of Company civil construction work. Its clean geometric forms and steady line weight convey reliability and precision, while its refined detailing offers a contemporary character suitable for both digital and print applications.

5.3. HIERARCHY

- ▶ TEERAG typography is organized to ensure clear and consistent communication. The primary typeface defines the main look of the brand and is used for key headings. The secondary typeface supports it in subheadings and general content. Supporting typography is applied only where needed for technical details or specialized uses. Together, they create a unified and professional visual identity.
